

**MOCK TRIAL 2008-2009 CORRECTIONS/ CLARIFICATIONS**  
**12.18.2008**

This is clarification for that which Harley Ferguson is actually seeking in this lawsuit:

1. Harley Ferguson brought an action against Skyler and Kendall Mondale for defamation and seeks the following:
  - actual damages in the amount of \$500,000.00, which include the following: economic harm that Ferguson suffered following termination; harm Ferguson sustained as a result of the impairment of reputation and standing in both Howard County and the teaching community; personal humiliation incurred by Ferguson; and mental anguish Ferguson was forced to endure as a result of Skyler and Kendall Mondale's Actions.
  - punitive damages in the amount of \$1,000,000.00, to punish Skyler and Kendall Mondale for their thoughtless actions and to deter other students and parents from engaging in such acts in the future.

With regard to pg. 24/ Skyler Mondale's posting:

2. The posting on page 24 ("Tiger Tracks Posting Regarding Harley Ferguson") is, in fact, Skyler's posting. This point is not intended to be arguable.
